### Section 3 – External Auditor Report and Certificate 2018/19

In respect of Clayton-le-Woods Parish Council LA0051

#### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

#### 2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has submitted its AGAR and supporting documentation prior to 30 September 2019; however, we have not been able to complete our review work in time to enable the smaller authority to publish the required documentation in line with statutory requirements. Once we have completed our review a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

An invoice for the standard annual review fee (and chaser letter charges where they apply) has been issued with this interim certificate; however, this interim invoice does not fall due for payment until we certify completion and issue our final report and certificate. Should we receive challenge correspondence before we have certified completion, any additional fees arising from additional work required as a result of that correspondence will be invoiced with the certificate of completion; where no additional fees apply a zero invoice will be issued on completion. Both the interim and final invoices do not fall due for payment until we issue our final invoice with the certificate of completion.

Other matters not affecting our opinion which we draw to the attention of the authority:

Please see above.

#### 3 External auditor certificate 2018/19

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019

We do not certify completion because:

We have received the AGAR and supporting documentation but we have not been able to complete our review work prior to 30 September 2019.

## Final External Auditor Report and Certificate 2018/19 in respect of Clayton-le-Woods Parish Council LA0051

### Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

### External auditor report 2018/19

On 29 September 2019, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2019. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review. The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Information received from the smaller authority indicates that assets purchased during the year have not been included in Section 2, Box 9.

The smaller authority has disclosed that it made proper provision during the year 2018/19 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority failed to approve the AGAR in time to publish it before 1 July 2019, the date required by the Accounts and Audit Regulations 2015, and did disclose this by answering 'No' to Section 1, Box 1.

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2019/20 for the exercise of public rights, since the period for the exercise of public rights did not include the first 10 working days of July. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2019/20 and ensure that it makes proper provision for the exercise of public rights during 2020/21.

### External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
